## Back to Base Service & Calibration

Gilson Pipette Service are the experts in the repair, calibration and servicing of ALL makes and models of pipettes. We offer a wide range of service plans including UKAS to meet every application and budget.

**FROM  
£9.00**

### PIPETTE SERVICE FROM ONLY £9.00

Now is the perfect time to book your pipettes in to be serviced and calibrated in time for the new year. Obviously there is no one better experienced to service our own PIPETMAN range of pipettes, however our technicians are also experts in servicing all other brands and models. **We also replace all seals and o-rings on Gilson single channels as standard.**

### SIMPLY POST YOUR PIPETTES BACK TO US

Send any make or model of single channel or multichannel pipette back to our brand new, purpose built Pipette Calibration Laboratory and we will perform an ISO or Manufacturer Calibration and Service from as little as £9.00.
